

AAX\_IFeatureInfo

```
graph BT; AAX_VFeatureInfo --> AAX_IFeatureInfo
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box labeled 'AAX\_VFeatureInfo'. A blue arrow points vertically upwards from this box to a gray box at the top labeled 'AAX\_IFeatureInfo'. This indicates that 'AAX\_VFeatureInfo' inherits from 'AAX\_IFeatureInfo'.
